The Harborlites Chorus is an exciting, award-winning show chorus performing four-part harmony, barbershop style. Members of Sweet Adelines International, we are known for our fine harmony and our dynamic energy. Harborlites is committed to the highest standards of musical excellence, education, personal growth — and the magic we create in every captivating performance!

The Harborlites Chorus is much more than a vocal ensemble. We are ambassadors of the barbershop form of music in our community and to the world. We are educators, reaching out to singers of all ages and teaching the art form of a *cappella* singing to students in our local schools. We provide scholarships and funding for singers in need, and we reach out to our community.

You support our mission of harmony and achievement by participating in the Harborlites Harmony Golf Classic. As a non-profit organization, we could not succeed without the generosity of people like you.

Thank you for your support!

Harborlites is a California non-profit organization, and all donations to the chorus are tax-deductible.
